

Hi Dear Postcard club,

This postcard is from a scene in the video we produced for Mark & Jean Devine during our June trip. Our summer has been so full this is the first time we've been home long enough to correspond with all of you wonderful folks.

The main events included: producing videos in Cali, Colombia & at Royal Family Kids Camp; celebrating the 60th anniversary of Barb's parents in Washington; fund-raising from Arizona to Washington & back; enjoying family at the lake with daughters, sons-in-laws & grandkids.

We saw violence in Colombia first hand. Surprisingly, Colombia felt less dangerous than in the past.

Our next trip is to Cambodia in early October. We will work with Jean Johnson & Diane Campbell. Thanks for praying for the ticket prices, development of the script for Jean & Diane, good weather, working equipment & safety that includes travel mercies.

You mean a lot to us!

**God Bless,
Mac & Barb Mandley**
