

Help Us Run the Race!

We Need Your Prayers To Help Us Maintain Our Pace

Each devotion in *Sparkling Gems From the Greek* by Rick Renner contains a prayer. I included parts of the Aug. 6th prayer entry in the prayer below. Would you join us in praying for the missionaries we serve and for us as we serve them?

Dear Holy LORD, We pray that Your love and word will spread quickly and without resistance. We thank You for providing Your strength and endurance so that we will be able to keep up the pace that is required to get Your message to the desperate people who are waiting to hear Your Good News! Since You have dispatched us to help the missionaries carry Your vision to the churches, we seek Your assistance. Help us and our supporters wisely face every skirmish, clash, confrontation, and struggle that try to hinder the Gospel. Lord please bless our partners for their continual, unbroken, and uninterrupted, prayers for safety, travel mercies, family relationships, ministry connections, properly functioning equipment. Thank You for blessing all the missionaries and us too. Thank You for the privilege of signing Your Name dear Jesus ~ AMEN!

Quick Review

Since our May newsletter we attended the SoCal Network Conference where we spent time with missionary friends & several of the pastors from our supporting churches; worked with our City View family at Royal Family Kids Camp (our 19th year); finished editing a video for another member of Facultad staff (Jorge López, this one is just in Spanish); attended the A/G General Council where we spent time with more pastors from our supporting churches, old & new missionary friends and other ministries. You can see the latest Facultad promo & other videos here:

Rocky & Gina

Japan

At General Council we met with Rocky & Gina Racoma, missionaries to Japan, and began planning a promotional video to help them fund repair projects at Yokota International Christian Assembly, Tokyo.

Liz & Nhat

Vietnamese Church Plant

After General Council we videotaped & began editing a promo for the church that Nhat & Liz Trans are planting in Westminster, CA. Besides their church, they are also reaching around the world via YouTube video.

Romania & Slovenia

Soon we will be traveling with Teen Challenge of SoCal to Romania & Slovenia to video what God has done in those countries and help them prepare for future ministry.

2nd Half Ministries

Before we leave for Romania, we have also been asked to video the teaching sessions for 2nd Half Ministries' *Adult 50 Plus Camp* at Pinecrest.

Please pray for these ministries, our projects with them & traveling mercies as we go.

Your prayers helped us purchase both our office computers 7 years ago. Barb's computer crashed last week. We were able to restore most of the information, but we are not sure it is running properly. We ask for your prayers as we seek God's timing in regards to the replacement of the office computers. Thank You, Mac & Barb
