Thanks For Helping Us In The Battle Through Your Prayers & Financial Support

“And now they’re at it again! Take care of their threats and give your servants fearless confidence in preaching your Message, as you stretch out your hand to us in healings and miracles and wonders done in the name of your holy servant Jesus. Acts 4.29-30 (MESSAGE)

We believe God has enrolled us in **Warrior Bootcamp**. Please join us as we use the verses above as the basis of our prayer: “Now Lord, (*the enemy*) is at it again! Take care of (*his*) threats and give your servants fearless confidence in (*sharing*) your Message, as you stretch out your hand to us in healings and miracles and wonders done in the name of your holy servant Jesus.

Lord willing, here is our schedule for the next few months:

May The Keystone Project offers discipleship training courses in the U.S. and around the world. Their instructors are missions veterans who have trained and worked closely with the leaders of some of the largest and fastest growing movements in the world today. Their focus is on *transformational, missional disciple-making to the fourth generation*.

We will videotape 5 of Keystone’s core training sessions and also produce a promotional video. We hope to have the first session edited (and maybe the promo video edited) before it is time to leave then finish the remaining editing at home.

July This will be our 20th years of RFKC with our friends at City View Church in San Diego.

Paul & Norma

September Again this year we are privileged to work with 2nd Half Ministries Directors, Paul and Norma Grasser. We will produce videos of the teaching sessions at the *Adult 50 Plus Camp*.

Romania During our trip to Romania last September, Barb made a strong connection with the ladies at the Teen Challenge *House of Joy* in Romania. The Director Georgianna asked Barb to teach the ladies over Skype. Barb has taught 2 classes, has a third schedule for next week and the plan is to continue with a classes every few weeks. God is so good, enabling Barb to teach this way!

Other Projects Ray & Debrah Miller transferred from Philippines to U.S. Missions. Once they are settled in New Mexico we hope to produce a promotional video about their new ministry to Native Americans & the International Community.

We continue working on a project for Jesus Christ the Chief Cornerstone Church in the Philippines.

We continue editing process for Romania & Slovenia videos with the team from Teen Challenge of Southern California.

There are a few more pending projects at various stages.

Due to her spasmodic dysphonia, Barb has received botox injections into her vocal cords every 3 or 4 months for about 18 years. After the hearing lost in her left ear due to a tumor, she has stopped the the Botox injections. It has now been almost 9 months. With daily vocal exercises, her voice is rough but she is able to have conversations, even over the phone.

Due to the tumor, Barb’s balance was measure at 82% disabled, after 6 weeks of rehab it improved to 42% then to 30% after another 4 weeks of rehab. By consistently continuing her exercises at home she maintaining, with some improvement.

Thanks to all of our faithful supporters and with the help of some extra gifts, we replace our two 2010 Mac Mini computers with two refurbished 2017 iMacs. We thank the Lord for providing through His faithful people.

As we are preparing for our May trip to Keystone, an outbreak of Shingles has made it hard for Barb to maintain her balance and voice exercise routines.
