

KEEP PRAYING

Your Prayers Make A Difference

Thanks you for your prayers and financial support

Confess your trespasses to one another, and pray for one another, that you may be healed. The effective, fervent prayer of a righteous man avails much. James 5:16 NKJV

Thanks for Continuing to Pray for Barb

July 30th is a followup MRI. We look forward to the tumor being gone and side-effects reversed! We continue to trust and see evidence that God is working. Praising God through this spiritual boot camp season!

Daily balance exercises help Barb retrain her brain to overcome the damage done by the tumor to the two balance nerves that are in the same canal as the hearing nerve.

Between trips, we worked long-distance on a project for Jesus Christ the Chief Cornerstone Church in the Philippines and continued work on Romania/Slovenia projects for Teen Challenge.

June Barb's tinnitus was not overwhelming during the flight to Oregon where we spent a few days with family on their farm. As an added bonus two of the grandkids that live in Singapore were also there.

Near the end of the month Barb was able to handle the 5 hour drive to Southern California where we joined family for additional hours in the car as we drove into Mexico. While there we recorded the video for a new project for the Salvation Amy's home for abused women and children.

July Just last week we completed our 20th year at RFKC. Barb did great as she roamed the camp videoing kids having fun. She only needed a few more naps as her body works all the time to maintain her balance. Videographer Chris provided tremendous help as he was able to join us for a third year.

While in San Diego we attended the memorial service for long time friend and supporter Terry Quinn. We were impressed as we learned even more about the ministries he had helped over the years. Terry will be greatly missed.

We continue editing the previous projects as well as translating and editing the project for the Salvation Army of Mexico.

September Lord willing, we are scheduled to video the teaching sessions for the SoCal Network's 2nd Half Ministries Adult 50 Plus Camp.

October/November Details need to be finalized but we hope to make a ministry trip in October and another in November. We will tell more after plans are finalized.

Prayer Requests Barb's MRI and good health for both of us.

August begins year 13 in our NEW home in Kingman, AZ. We are seeking wisdom as we undertake necessary maintenance.
