JCCC Church, Philippines

Please pray for Pastor Erl, she had a stroke so she is unable to make her fund raising trip to the U.S. and Canada at this time. Join us as we pray for her complete recovery and a quick return to her fruitful work among the Igorot tribal group in the Philippines. You can view the promo video we made to help JCCC Church raise funds to finish the buildings and expand their outreach: http://www.mandley.com/video/18jccc_3promo_sd_v3.mp4

In May we will spend a few days in southern California with Paul and Norma as we begin production of promotional videos for the Grassers and 2nd Half Ministries.

Barb Turns Some Of Her Favorite Scriptures Into Personal Prayers

Isaiah 41:10

You, the Great I AM, are my God! Because You are WITH me, I have NO need to panic nor is there any need to be afraid or discouraged. You ARE continually strengthening and helping me. Your righteous GRIP LORD God is STEADY and FIRM.

Praise Report & Prayer Requests

Water therapy for Barb's balance is helping

MRI & 6-month post surgery appointment with the surgeon, in May. Please pray for a good report

Traveling safety & productive trip in Romania & that Barb's voice will be strong as she teaches Life Skills

Your support has allowed us to replace her old large Public Address system with a much smaller that one we can now take on trips to help Barb's voice

Special Praise Report

Growths similar to the one removed from Barb's ear were thought to be possible in other areas of her body. The doctor recommended a blood test to find if Barb had that genetic marker. It was also recommended to check the full range of other markers at the same time.

Praise God! No marker and no other mutated genes found in the other tests. I knew I had a great wife, **Now I have medical proof she is 100% perfect!!!**
