

Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid. John 14:27

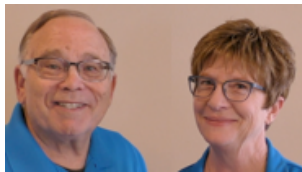

It has been interesting times for us. As always, God is blessings. And as always, blessing in many different ways.

Our prayers are with you. May God's peace & strength comfort us all as He guides us through this time. May He use this to help our faith grow & draw us all closer to Him. May you be safe, well & experiencing God's mercy and provision.

Thanks for your prayers and support, they are greatly appreciated. In April, this ministry completes its 18th year. Most of our supporters have been faithfully with us for 15 or more years. Thank You! Thank You! Through all of our financial and prayer supporters, God has enabled us to help missionaries for so many years. You are a blessing.

We pray for God's outpouring of blessings on you and your family. May He continue to bless the health, finances and spiritual life of each of you.

We are in a unique time. If you are unable to contribute to this ministry right now, we understand. If you have specific needs that we can join with you in prayer, please let us know.

Paul & Norma

In late January we were at the SoCal Ministries offices for the 2nd Half Ministries Leadership Team meeting. Paul and Norma Grasser are doing a great job leading the ministry as they expand ministry opportunities FOR seniors, such as Hospice and Hospital Chaplains and TO seniors, such as programs for widows. Lord willing, we will video the 6 teaching sessions again this year at 2nd Half Ministries Adult 50 Plus Camp scheduled for September.

In late February we were contacted by the International Evangelism Centre. They want us to come back to Tanzania, East Africa in July to make another video for Bishop Eliudi's ministry. As with many things, those plans have been put on hold for now.

Flock Report

Lord willing, we will have more years of traveling to missionaries to produce videos for them. But we have been asking ourselves, "How can we do more?" "How can we do better?"

As I considered more ways to help missionaries. I thought of short video reports from missionaries on the field that could be posted on social media. That way as many people as possible could see the videos and churches could share them in their Mission Windows as well. Barb and I call these projects the **Flock Reports**.

To start, we e-mailed 20 of our missionary friends explaining our Flock Report idea on March 24th. Three replied that day then two more on the 25th. We recorded Mark & Pat Kinneys over the Internet on the 26th and started editing. By the 29th we posted their video on-line for their review, received approval and opened the on-line video so anyone could see it. On the 30th Mark Kinney told us, "Mac, I'm already getting great feedback on the Vimeo. Much more than from an e-newsletter, and from a variety of friends and supporters." We are beginning projects for 2 more missionary. **See the Kinney's video on Vimeo - <https://vimeo.com/401740561>**

The Keys to Victoriously Surviving Life's Tough Stuff (Barb's Facebook Group).

If you would like to join, enter the group name into Facebook's search tool. That will take you to an option to join. Currently Barb's prayers are being shared with over 325 group members. God Bless, Mac & Barb

Praise Report & Prayer Requests

Barb's endurance/stamina are about the same. We are not going to the pool for her rehab, but she is faithfully walking. Mac plans on listening to his wife and adding exercise to his schedule.

Several of our friends had serious health problems before Covid-19. Please pray for their protection and healing. Please pray for the Flock Report projects, future video mission trips and our spiritual growth in all areas of life.
