

*YOU'VE GONE INTO MY FUTURE TO PREPARE THE WAY, AND IN KINDNESS YOU FOLLOW BEHIND ME TO SPARE ME FROM THE HARM OF MY PAST. WITH YOUR HAND OF LOVE UPON MY LIFE, YOU IMPART A BLESSING TO ME. PSALM 139:5 THE PASSION TRANSLATION*

### Middle Eastern Refugees

A missionary couple working with Middle Eastern refugees in Europe asked for our help with a special project. In the middle of the COVID-19 quarantine, they need to raise the cash budget for their move to the mission field. God has blessed them with a benefactor that will donate matching funds for about half of their cash budget. They needed our help to make a fundraising video that asked potential donors to help raise the other half.

From our home in Arizona, we used Skype over the Internet to record a video interview in California. In it the missionary explained their ministry and this special fundraiser. They included a cell phone recording from a young man on the mission field. He is a recent convert to Christianity, born a refugee in a Muslim country, unable to obtain a birth certificate. He told of his struggles for a normal life, including prison and beatings.

Do to its sensitive nature, this video will be shown to a limited audience. So I am not posting a link.

### 2nd Half Ministries

Paul & Norma

For the last 3 years, we got to record the excellent teaching sessions at 2nd Half Ministries' Adult 50 Plus Camp (about 17 hours of great teaching). These sessions were made available on DVD each year. Directors of 2nd Half Ministries, Paul and Norma Grasser want to make this great teaching available to a wider audience. They asked us to help them produce a short video from the 2017 camp.

We interviewed them (this time using ZOOM) from their home in Victorville. Then edited the pieces together into a 35 minute video feature two segments from one of Dr. George Wood's sessions in 2017. This is available on-line. If there is enough interest, they hope to share more of these teaching sessions. You can view this video here: <https://vimeo.com/427184081>

**Tanzania** Due to travel restriction, this trip has been postponed.

**Barb's 2nd book, *Growing A Wise Heart***, is in the final stages of editing. She has given out a few copies to get feedback. One friend is encouraging us to publish this book soon. Since one of her jobs is voice talent for audio books, she is making the audio version for us.

***Growing A Wise Heart*** - Stacie Le Hargrove needs a new beginning. On top of the family court judge just ordering her children to be removed from her care, the crises and traumas she's experienced have stopped her emotional growth. Devastated, she's trying to figure out what to do next when she meets Ms. Lancaster, a social worker who directs her to Sofia's Home. Follow Stacie's journey as she strives to obey the judge's command to straighten out her life. Discover how God turns Stacie's traumas and nightmares into a journey that becomes the best thing that every happened to her and her children.

### Praise Report & Prayer Requests

Barb's Facebook Group continues to do well.  
Barb's stamina is about the same. We have not restarted pool rehab, but Barb faithfully walks. Mac joins her sometimes.  
Several friends with serious health problems.  
Future video mission trips and our spiritual growth in all areas of life.
