Thanks for praying, we were blessed!

God blessed us with a delightful and productive time with David and Margot Woodworth. They direct **DINAMIS** the Colombian national missions program. Their duties include training Colombians to be missionaries then sending them around the world. They also supervise the development of missions programs for all ages within Colombian churches.

Currently the Colombian Assemblies of God have 18 missions projects with Colombian missionaries in Africa, Asia and with Indian groups within Colombia. **The goal is to have 50 mission projects by 2020.**

The Woodworth's script used bamboo to discussed the phases needed for real growth. God allowed us to produce 3 videos while we were with them: English and Spanish versions of their promotional video then a training video for **TAMI** (*Children's Missionary Adventure Time*). It is the portion of the Colombian mission development team that provides material and training to help churches include a missions component in their children's program.

God Bless you ~ Mac & Barb

Prayer Requests

1. Anointing and creativity as we finish editing the video for Newbreak Church in San Diego. This is the footage of their team's visit to Nicaragua that we videotaped as part of our time with Levys and Bonnie Hernandez in Nicaragua.
2. This month we plan to travel to Southern California to produce a promotional video for Simon & Anjana Gounder, U.S. missionaries working with Hindus and other Asia Indians. We ask for traveling safety and anointing as we work on this video.
3. Mission Window at Carlsbad Christian Assembly.
4. July will be our 15th year of helping as San Diego First puts on Royal Family Kids' Camp a camp for abused kids.

Dear Holy ABBA, Thank You for Your GREAT Power, Awesome Generosity, and Amazing Healing Strength. We are so blessed to be Your kids and have the privilege of praying for those praying for us. Thank you for blessing their families and churches. Thank You for uplifting our hearts through their prayers as we share what You are doing around the world. Hugs and love! In Jesus' name ~ AMEN!!!
