

GOD IS SO GOOD, opening new doors of opportunity for us. Thank you for your prayers and financial support which allow us to walk through God's open doors.

SoCal Network World Projects

Last year Tony Cervero (SoCal Network Assistant Superintendent) asked us to make videos for each SoCal Network World Missionary itinerating in 2014. (Remember Tony and his family in your prayers. Shortly after stepping down as Assistant Superintendent, he suffered a heart attack while 3,000 miles away from home, he continues to recover.)

These videos will be added to the redesigned SoCal Network Web site. At this point in time the redesign is still in process, but the videos are now available on our web site. [Watch Them Here](#).

We worked on various stages of this project through the Spring of this year. For various reasons, we were unable to create videos for all of this year's itinerating missionaries. But we did help five of them: Mark & Jean Devine, Mike & Dodey Files, Larry & Melodee Gruetzmacher, Kirk & Yvonne Jones and Bob & Karen Welch (pictures are in alphabetical order).

Lord willing, we will add more itinerating missionaries as they come home this year. And soon we will begin work on projects for the SoCal Network missionaries itinerating in 2015.

City View Church

It is always a blessing to see old friends in San Diego. In July we had the privilege of sharing our ministry at City View's monthly Missions Window. Also, we had Barb's book available for sale and she had great fun signing personalized notes on each copy; additional time at a missionary home fellowship was great! Thanks to all who took such good care of us.

Royal Family Kid's Camp

We were able to video Royal Family Kid's Camp with City View church again this July. We even had a student assistant. Chris was a valuable asset with both videotaping and editing.

Video Newsletter

In July we also finished a **Video Newsletter** for missionaries Ray and Deborah Miller that features a church plant project in Mindoro, Philippines. [Watch It Here](#) (in the 2014 section of the web page, below the Currently Itinerating section).

Advice and Aid Pregnancy Center

This month we finished a video for the local pregnancy center. [Watch It Here](#). Our currently project is for a ministry in a sensitive area. We will not be able to post it on our web site when it is finished.

Parenting With a Wise Heart

Barb has begun teaching a class based on her book *Parenting With a Wise Heart* at a local Christian school. This evening class is offered as an outreach to parents in the community. The school principle will teach when we are traveling. [Learn More About Barb's Book Here](#).

God Bless, Mac & Barb
