

It is wonderful to celebrate Jesus' birth by reminding ourselves how much you mean to us! We want to thank you again for your encouragement, support, love, and friendship.

Recently it was our privilege to be part of a mission convention in Blythe, CA. We enjoy meeting the faithful saints God has placed here in the U.S. and all over the world. Earlier that weekend, Barb also did a journaling class at the Women's Retreat for Kingman First.

Once again we are privileged and blessed to be part of what God is doing here in the United States and around the world. We are producing a video for missionaries working in a sensitive area. God's grace and protection to this family is truly awesome. We also continue to work on the Foothills Section video (6 mini-commercials for missionaries associated with that section) for BJORAKER (Jewish ministry), KHENG (Cambodian church plant), KLEPEL (Thailand), SNODDERLY (U.S. Center for World Mission), and VAN BEBER (Children At Risk). With so many schedules to coordinate as we videotape, we have been back and forth across the Arizona/California border a number of times the last few weeks. We hope to complete it by the end of 2009.

As most of you know, our year has been spent itinerating. That means we get to tell what God is doing around the world as we share our favorite stories and pictures from the last 7 1/2 years. While raising support, we have seen God supply our needs in some amazing and wonderful ways—we are grateful to each of you. God used you all to care for us in a variety of ways. Thank you so much!

We are praying for you dear friends — Dear Almighty Father, We are so grateful to be your children. We love the privilege of praying for our friends and family—asking You to doubly bless them because they are so precious to us! Thank You for blessing each of them with a special memory of this Christmas season. It is so easy to be caught up in the rush and spending of the season—thank You for keeping our focus on You! Thank You too, for being the *real* reason for this season! We are grateful that we can sign Your name to our requests! In Jesus' Name! AMEN!!! **Love Mac and Barb**
