

Thank you for your prayers.

Lord willing, July will be even busier than normal.

We finished the Lemons' promo. They are itinerating & will soon spend 2 nights with us in Kingman and share about their ministry at Kingman First Assembly.

Jim, Cynthia & Michael Lemons

Ray & Deborah Miller

The Millers, missionaries to the Philippines, have sent us photos & video so we can make a video newsletter for them. We hope to have it finished by early August.

Colombia

Between now & August we travel to Mark & Jean Devine in Colombia to videotape their prison ministry for a promo we are making for them. Normally we finish the whole post-production/editing process on the field, giving the missionary their finished DVD before we leave. But due to the timing of this trip we have to finish editing back in the U.S.

We will fly in and out of Southern California for the Colombian trip. As soon as we are back in the U.S. we video a community outreach for New Life Assembly in Duarte, again editing it back in Kingman.

Baja, Mexico

The following week we will work with my sister, Margaret York, in Mexico. She is the Chair of the Metropolitan Los Angeles Advisory Board for the Salvation Army. For many years she has traveled to Baja California and is interested in the work of the Salvation Army there. For her project, we will videotape a Salvation Army Domestic Violence Shelter that serves Northern Baja.

Prayer requests:

Safe travel, favor with those we meet

That all the equipment works properly (including our car as we travel between Kingman and southern California).

Wisdom, creativity and good health

That all the editing goes smoothly

May each of the videos be a blessing to these ministries and the people they serve.

God bless,

Mac & Barb

Therefore pray the Lord of the harvest to send out laborers into His harvest. Matt. 9:38 (NIV)

Thank you for helping us as we help missionaries share God's love around the world!
