Nicaragua*

Geography **Area:** 59,998 square miles; slightly larger than New York State.
Terrain: Extensive Atlantic coastal plains; narrow Pacific coastal plain interrupted by volcanoes.

People **Religion:** Predominantly Roman Catholic, with rapidly growing Protestant congregations.
Languages: Spanish (official), English and indigenous languages on Caribbean coast.
Education: Compulsory, none enforced (28% of first graders finish sixth grade). Literacy 81%.

Dear friends . . .

How we treasure your prayers and gifts, through them you go with us on our trips.

We especially ask you to please remember to pray for us as we prepare for a trip to Nicaragua to make a video for Levys and Bonnie Hernandez.

Levys and Bonnie Hernandez

We would love your prayer support as we pack suitcases, double check camera supplies, and sort out what to take.

We covet your prayers. Travel mercies are always at the top of the list. May the equipment work properly and may God grant us creativity as we make the promotional piece for Levys and Bonnie.

PRAISE REPORTS:

Things are going well as Mac's family continues to wrap up his parent's estate.

Barb facilitated and spoke at her 3rd teen girl retreat "Fight Like A Girl". It was well received by the 34 girls in attendance. It's amazing how 25 adult volunteers did everything within their power to make the weekend enjoyable for Kingman First Assembly's young women.

Thanks again for loving us with your prayers to God. We look forward showing you what God is going in Nicaragua.

Blessings and Love,
Mac and Barb
