

# 200 30 1

*During our Sept/Oct. trip, we completed our 200th video, took our 30th missionary video trip outside of the U.S. and made our first video in Russian.*

**200** Allen and JoAnn Martin are Directors of FACULTAD, its staff travel to all 20 Spanish speaking countries in Latin America to train National Pastors. The promo video we made for the Martins was our 200th missions/ministry video that we have completed since we began in 2002. While with them we also recorded the videos needed to make 5 promo videos for their staff as well as a promo for FACULTAD itself.

In the early stages of editing their video, Allen Martin asked if he could show the partially finished video to his staff. As the promo played on my laptop, he recorded the screen over my shoulder with his cell phone. So, it was a poor copy of an unfinished promo video. But it included the section that described how \$240 would provide a one year scholarship for a pastor in Cuba.

*She wrote him a check for a \$240 scholarship!*

That morning, Allen had an appointment with his dentist. He showed her the rough copy of his promo. She wrote him a check for a \$240 scholarship! Praise God!

**30** Our 30th missionary video trip out of the U.S. was to Israel where we made videos for Abundant Hope International (AHI) to tell about their work with Holocaust survivors. Susan Heagy, the Founder and President of AHI, has written a book about the Holocaust, *Why Is Great-Grandma So Sad?* It was intentionally written without trauma for children ages 7 to 14. Besides a promo video for AHI, we also made a book trailer (a video to promote Susan's book) in both English and Russian.

**1** The reason we made a Russian version is because AHI works with TBN Russia on its *Living Stones* program, which shares Holocaust survivors' stories. This program shows 3-12 times a week in 180 countries. The Russian version of the video book trailer will be shown with the *Living Stones* program. You can see the AHI videos here.

After Israel we stopped in Kansas to make a promo for Steve and Becky Preston. *Highway Chapel* is their ministry to car enthusiasts.

God bless, Mac & Barb

**Praise** Thank God for safe travel despite many hours in cars and planes.
