

Merry Christmas & Happy New Year! (This year we are at the beginning of the season instead the end.)

GOD IS AMAZING, even though we have not traveled overseas this year, it has been one of our most productive years. We have produced videos for 10 missionaries, plus the *Advice and Aid Pregnancy Center* here in Kingman. Next week we are scheduled to begin a project for *Global Teen Challenge*. And, Lord willing, we will begin one more project in December.

Thank you for your prayers and financial support, which helps us help missionaries.

SoCal Network World Projects

The Tarr Family

As part of the the SoCal Network's on-going project for itinerating missionaries, we produced a video for Randy and Becky Tarr. Randy is the West Africa Area Director for the Assemblies of God World Missions. You can see their video here: [Watch Here](#)

We also produced a video for a missionary working in a sensitive area. It will be used with a limited audience and is not on our web site.

Tony and Catherine Duran

We completed a video for the Durans in October. Many of you in San Diego know them and their discipleship ministry in Namibia. They are now part of a discipleship training ministry based in South Dakota. Due to a problem with our Web site, their's is the first video we have placed on YouTube. You can see their video here: [Watch Here](#)
