### Sensitive Area

At the end of last year, beginning of this year, God allowed us to produce videos for missionaries working in two different sensitive areas. We are excited to say that both have already raised the needed funds and have approval to go to the field! Praise God!

Ron & Wanda Sommers

### Moldova

In April of this year Ron & Wanda Sommers received a new missions assignment to pastor a new international church in Moldova (Eastern Europe between Ukraine and Romania). They asked us to produce a video to help them raise the funds needed to get there by August. They arrived in Chisinau, Moldova August 25<sup>th</sup>.

*THANKS SO MUCH for all your work, and the blessing we received again by connecting with you two!*  
*SO many people comment on the video...saying it's so professional, heartfelt, and well done! All that is thanks to YOU and the way you allow GOD to work through you both!*  
*Please know we love and appreciate you! Hugs and prayers today, Wanda*

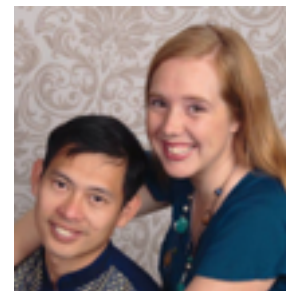

Mark & Pat Kinney

### SoCal Network World Projects

On our very first video mission trip in 2002 we traveled to Mark & Jean Devine in Colombia then Mark & Pat Kinney in Argentina. Over the years we traveled twice more to the Devines to produced videos. Right now we have the privilege of working on another video for the Kinneys as they prepare for another iteration.

### Cambodians in the U.S.

Sopheak and Amy Kheng minister to the more than 60,000 Cambodians in the Long Beach area (the most living outside of Cambodia). We completed a promo video for them in July. The Khengs are respected within the community, Sopheak is 1<sup>st</sup> Vice President of the Cambodian Coordinating Council (Cam-CC). We are working on several more videos to help with their work with Cam-CC.
