

The Lord Is Opening Doors

God has opened doors and provided us with opportunities to work with three ministry groups this Fall.

Allen & JoAnn Martin

Susan Heagy

Steve & Becky Preston

Door 1 Allen & JoAnn Martin direct FACULTAD, which trains National Pastors throughout Spanish speaking Latin America. The Martins are meeting with their staff at the Assemblies of God USA headquarters in Springfield, MO. They have asked us to meet with them there to produce several videos about their ministry.

FACULTAD has extension sites in Argentina, Bolivia, Colombia, Cuba, Dominican Republic, Ecuador, El Salvador, Guatemala, Mexico, Peru, Costa Rica, and the United States

Our Adoption Program was growing quickly now, as we topped 200 Survivors adopted and receiving communication from their "new" families from around the world.

Door 2 Abundant Hope International (AHI) helps Holocaust Survivors, especially in Israel. Working through partners and volunteers from around the world, AHI visits Holocaust Survivors to develop friendships, alleviate loneliness, evaluate and meet needs and renovate their homes. Currently AHI is involved with Holocaust Survivors

in 25 cities in Israel. President and Founder of AHI, Susan Heagy, has asked us to come back to Israel to make several new videos about AHI's work with Holocaust survivors.

Door 3 About 30 million folks in the US can be called "Car people". But about 18 million have never had the opportunity to hear about Jesus. The Highway Chapel booth offers cold bottled water and gives the Prestons the opportunity to have friendly conversation. Some are drawn into a deeper conversation about their lives and situations. This is where, by the Spirit, the Prestons can talk to them about Jesus and His healing, helping, redemptive love.

Highway Chapel promises to be an exciting new ministry avenue.
