

Hi There “Postcard Club”

May 2007

We anticipate seeing the Devines in Cali, Colombia mid-June. We are delighted to share with you the “fun” of going to see them again. They were the very FIRST missionaries that we videotaped when we started Mandley Missionary Videos in 2002.

Final arrangements to see the Devines are not quite in the works yet; we sent our passports in for renewal in March and they aren’t back in our hands yet. Thank You for joining us in prayer for their speedy arrival so that we can purchase our airline tickets and finalize our plans.

We continue to itinerate (though don’t have much time to fit it in between trips). If any one would like a lunch date with us so that we can share more about our ministry or have a service that would benefit from a world view of missions type window please let us know—we’d love and appreciate the opportunity to fit it into our schedule.

Our time filming the transformational churches in February and March after visiting the Doudy’s in Nicaragua in January was delightful. With seeing ALL that God is doing throughout our world; it’s an incredible privilege for us to come back to our beloved California to learn about, see, and film some of what God’s doing here in the USA too. We know that we know--God truly wants to draw ALL his children to himself. In March we traveled with a group of Vanguard students to Ensenada for a missions trip. We had the privilege of coaching our first intern.

Thank You Dear Father for our faithful friends and supporters. We are so privileged to be loved by them and to able to pray for them in return. Thank You for watching over all of us, revealing Yourself to the world through us, and growing us into the likeness of Jesus; all the while blessing us with the dignity of being used exactly as You want because You’ve made us to be our unique selves. You’re so awesome and wonderful LORD, we honor, cherish and love You--and are blessed by the incredible privilege of being Your kids. In Jesus’ sweet name we pray--AMEN!!!

God Bless you “dear ones,” Love in Jesus, Mac and Barb
