A Water Color of Barb's

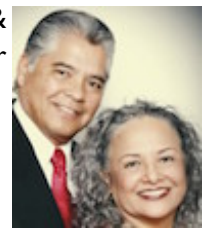

September 2nd Half Ministries asked us to videotape their 5 sessions during the *Adult 50 Plus Camp* at Pinecrest. We were privileged to videotape George Wood at the 3 evening sessions. (This was just weeks before the completion of his term as General Superintendent.) We also had the honor of videotaping the 2 morning sessions. One with John Johnson, Assistant Superintendent of the SoCal Network; the other with Larry Chapman, former Secretary Treasurer of the SoCal Network. Audio & video files of all 5 sessions are available through 2nd Half Ministries. <http://secondhalf.socalnetwork.org>

The following week we joined the Southern California Teen Challenge team to fly to Romania then travel to Slovenia. Despite several falls and other health issues for various team members, we were able to video the amazing things God is doing in both countries through Teen Challenge. Lives are radically changed as men and women are being set free from addictions by the power, grace and love of Jesus Christ. We began editing while on the field but most will be done at home. The goal is to produce multiple videos from the files recorded during our short time in each country.

October Finished editing the videos for 2nd Half Ministries, continued editing the Romania & Slovenia projects then began editing the Yokota International Christian Assembly project for missionaries Rocky and Gina Racoma in Tokyo, Japan.

Rocky & Gina

November Finished Racoma video. You can see that video at <http://www.mandley.com/video/17yokota.mp4>

Began the preliminary production of a project for Pastor Reyes, a friend we met while working on a video for the Asia Pacific Theological Seminary in Baguio, Philippines several years ago. She ministers at the *Jesus Christ the Chief Cornerstone Church* in the Philippines.

Uploaded another video from the Facultad projects. This one is for Donna Bustos. You can see the Bustos promo & other videos here: <http://www.mandley.com/videos.html>

Please pray for these ministries and our projects with them.
Your prayers helped us purchase both our office computers 7 years ago. We ask for your prayers as we seek God's timing in regards to the replacement of the office computers.
Continued prayers for good health and especially concerning Barb's vocal cords. Thank You, Mac & Barb
