

# God IS Good, All The Time

*Thanks you for your prayers and financial support*

We pray your Christmas was full of God's joy & peace. We apologize for this late newsletter. But as 2018 ended, we focused on completing several projects for ministries that needed them. Thank you! Your support helped make it happen.

## November/December

### Dale and Patty Coad

We traveled to St. Maarten to video the First Caribbean Summit of independent churches from the Caribbean islands of St. Kitts, Nevis, Antigua, Saba, St. Maarten & Eustatia. There these churches agreed to form a network of churches under the Assemblies of God. Dale & Patti Coad have mentored these church leaders for several years. Through the Coad's encouragement & guidance this new international association of churches was formed.

Dale & Patti

We produced a 13:22 minute video about this event for these pastors & leaders to share with their churches. It is in Spanish. You can see this promo video at:

We also produced a 2:15 minute promo video for the Coad's which tells more about their work with this unique group of churches. You can see this promo video at:

JCCC Church

### JCCC Church

The Igorots (mountain people) are a tribal group that lives in the Philippines. About 6% are Evangelical Christians, while 58% still practice paganism & animism. Jesus Christ the Chief Cornerstone Church (JCCC church) is successfully reaching the Igorots with the Gospel through ministries that provide both spiritual & physical support. As the Lord has open doors, ministries have expanded. They began building their church in 2009 but with an average monthly income of about \$200, progress is slow. We made a promo video to help them raise funds to finish the buildings and expand their outreach. You can view it here:

### Teen Challenge Romania and Teen Challenge Slovenia

Traveling with Teen Challenge of Southern California in the Fall of 2017, we were able to video the work God is doing in both countries. Combining the video we recorded with other video and photographs, the creative team at Teen Challenge of Southern California completed the editing of both projects. They have made 2 great videos! **If you watch closely you can see Barb in both of them.** To see the videos go to [vimeo.com](http://vimeo.com) and use their Search tool. Enter **Teen Challenge Romania** to see one and enter **Teen Challenge Slovenia** to see the other.

### Salvation Army of Mexico

We hope to finish the Salvation Army of Mexico project soon.

## Prayer Requests & Praise Report

Barb's hearing in her left ear is gone until the Lord heals.  
Her balance drifts, she does her rehab exercises regularly.  
We praise God her spirit is strong, her attitude is great!  
She was able to make the video trip to St. Marteen.  
We are in the planning stages for a trip to Romania.

## Special Praise Report

Barb received excellent care at USC Keck Medical Center. Medicare is our only health care coverage but we qualified for financial assistance under Keck's program. That program covered 80% of our liability portion of the bill. Thank you Lord (& Keck). **Thank You to all our Prayer Warriors for praying with us through all this.**
