

I have been young, and now am old; yet I have not seen the righteous forsaken, nor his descendants begging bread.

PSALM 37:25 NKJV

We are safe, well and busy. Thank you for your prayers and financial support. God continues to bless us through you.

Royal Family Kids

Once again, we had the privilege of producing a video of Royal Family Kids Camp, hosted by City View Church in San Diego. Normally, due to privacy concerns for the children, we can not show you the RFKC videos. But like many things in 2020, this year was different.

Camp at the normal location was not possible. Even a shortened day camp on City View's campus was not possible. But they were able to host a "parade". Campers were driven through the church parking lot by their caregivers while RFKC volunteers loved on them with cheers, backpacks and presents.

Most campers wore masks. For those without masks we painted on sunglasses as we edited the video. Because the identity of the children is hidden, we are able to share the video with you this year. A special "Thank You" to Adam Michel for providing great video!

2nd Half Ministries

Using Zoom, we have produced 3 short devotional/leadership training projects for 2nd Half Ministries over the last few months, videos by: Dan Wilderman, John Heide and Wes Wick.

We have begun production on the next 2nd Half Ministries project. This time with Dr Ray James. Lord willing it should be on-line about the middle of November. You can view the first 3 video here:

Barb's 2nd book, *Growing A Wise Heart*, is finished. We are investigating how we want to publish.

Growing A Wise Heart - Stacie Le Hargrove needs a new beginning. On top of the family court judge just ordering her children to be removed from her care, the crises and traumas she's experienced have stopped her emotional growth. Devastated, she's trying to figure out what to do next when she meets Ms. Lancaster, a social worker who directs her to Sofia's Home. Follow Stacie's journey as she strives to obey the judge's command to straighten out her life. Discover how God turns Stacie's traumas and nightmares into a journey that becomes the best thing that every happened to her and her children.

Praise Report & Prayer Requests

Barb's Facebook Group continues to do well.
 Barb's stamina is about the same. We have not restarted pool rehab. But WE walk a mile almost daily.
 Several friends and family with health issue. We also lost one close friend to cancer, just after his 52nd birthday.
 Future mission videos (both traveling overseas and via Zoom/Skype). Our spiritual growth in all areas of life.
