

I will both lie down in peace, and sleep; For You alone, O LORD, make me dwell in safety.

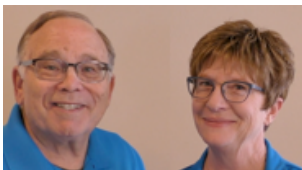

PSALMS. 4:8 NKJV

Thank you for your prayers and financial support.

Travel

Due to international travel restrictions, we still have not been able to travel overseas. But using zoom and other advances in technology, we have continued making videos for different ministries. We think by the end of the year we will be close to producing the most videos we have ever produced in one year.

2nd Half Ministries

Paul & Norma

We produced 3 projects for 2nd Half Ministries since our last newsletter: A training video by Steve & Lou Ann Asmuth, a promo, *Why 2nd Half Matters* and the Monday night session at 2nd Half Camp with International Evangelist Jason Frenn. (Only one session, due to illness for both of us, we had to leave camp early.) All 3 videos have Closed Captions. You can view them here:

Royal Family Kids Camp

CityView's 25th year of RFKC (our 22nd). Working with Chris Matista again, we made 3 videos showing highlights from each day. (Due to kids' privacy regulations, cannot link to these videos.)

Updating Web Skills, Multiple Camera Recording and On-line Streaming

Mac is updating his web programming skills, learning new software so the missionary videos on our web site can load faster and resize based on device viewing them (computer, tablet or smartphone).

Also new software to record and on-line stream with multiple cameras, including iPhones (even iPhones that are several generations old). Now recording multi-angled interviews with missionaries is easier and less expensively.

Future Projects

If COVID restrictions allow, we hope to make a trip to International Evangelism Outreach in Tanzania in 2022.

Peggy York

2 weeks ago, Mac's sister slipped into the loving arms of Jesus. She will be greatly missed but we rejoice that she is in heaven. The Lord blessed her with a fruitful life including: 3 kids, being the first woman Deputy Chief in the history of LAPD, serving more than two decades as a member and past chair of the Metro Los Angeles Advisory Board of the Salvation Army and founder of a Salvation Army women's shelter in Baja California. Here is link to her Obituary:

Praise Report & Prayer Requests

1. Praise: After an overnight hospital visit ruled out all possibilities of stroke, Barb is back to normal. She had **Transient Global Amnesia**. A rare, short term memory loss usually lasting 6-12 hours. Chances of happening again, just as rare.
2. Praise: **Growing A Wise Heart**, Barb's 2nd book, is a fictional story of a young mother's rehab process to regain custody of her children. One of her rehab classes uses **Parenting with a Wise Heart** (Barb's 1st book about parenting God's way). When our local Pregnancy Care Center director read **Growing A Wise Heart** and saw examples of using **Parenting with a Wise Heart**, she got more copies of **Parenting with a Wise Heart** to use in the training sessions at the center.
3. Prayer: Overall health, Mac's cataracts are increasing, opening of international travel, spiritual growth in all areas of life.

May God keep us healthy, allowing us to continue this ministry for many more years (or until His return).
