

*Beloved, although I was very eager to write to you about our common salvation, I found it necessary to write appealing to you to **contend for the faith** that was once for all delivered to the saints.*

*Jude 3*

*Thank you for your prayers and encouragement, they are a blessing to us.*

2025 started with a busy schedule. We each had medical appointments here in Kingman on January 2nd. Then headed to southern California after church on January 5th. During our week long trip: we spent Sunday night with retired missionaries Paul & Norma Grasser; Monday morning Barb had another MRI for her ear then a follow up with the doctor Wednesday (visited family in between); then changed hotels and Wednesday evening through Saturday worked with Amy Kheng to record the segments of her video; all while navigating the fires raging in the Los Angeles area.

A Bible translated into your heart language (the language you spoke growing up) helps to give you a much better grasp of who God is and how He wants to be involved in every part of your life.

As a Wycliffe Associate, Amy facilitates this process: She locates groups, living in the U.S., without a Bible in their language. Then connects each group's Volunteer Language Experts with Wycliffe Associate Translation Trainers. These trainers will equip the volunteers with all the resources needed to translate their own Bible. You can help this ministry in 3 ways:

1. **Contact Amy** if you, or someone you know, needs a Bible in your heart language.
2. **Pray for the translation teams**, many experience extreme spiritual warfare. Many translators live in the midst of hostile communities that do not welcome Christians or Christ message; even if those communities are in the U.S.
3. **Partner**, invest in the support of Amy's ministry with a donation.

**Advice & Aid Pregnancy Center**

We produced a video for the **Advice & Aid Pregnancy Center** here in Kingman in 2014. Now we are in the process of recording staff training sessions, testimonies and narration for a new video. We hope to have it online early this summer.

**Jon & Dawn Coad**

Jon & Dawn Coad Family

Many of you know missionaries Dale & Patti Coad. In 2003 we produced one of our earliest Missionary Videos for them. Over the years we have had the honor of producing a few more. Now we have the privilege of produce videos for their son Jon and his wife Dawn.

They are AG World Missionaries serving in Oral Learners Initiatives. They partner with local and global churches, as well as missionaries around the world, to raise up leaders who will speak life into kids and change their nations from the inside out.

We are in the beginning stages of producing multiple videos for Jon and Dawn.

**Your prayers and financial support are a continual blessing to us. Thank you, God Bless, Mac & Barb**

**Praise Report & Prayer Requests**

1. Praise God for the many blessings and opportunities He provides.
2. Good health for videos & other ministry opportunities God is providing (traveling overseas & U.S. and via Zoom/Skype).
3. Wisdom and guidance for Barb as she finishes work on books 3 and 4.
4. Our spiritual growth in all areas of life.

*May God keep us healthy, allowing us to continue this ministry for many more years (or until His return).*
